

FREE COMMUNITY LECTURES
The Role of Vision Development
in the Academic Success of
Children

ENCINITAS

LEMON GROVE

OR

MAY 17, 2017
12:30 - 1:30

MAY 18, 2017
12:30 - 1:30

Did you know that vision is more than 20/20, and a child's vision plays a vital role in his or her learning process? Please join us for the free lecture given by Dr. Carl Hillier of the San Diego Center for Vision Care - Optometry, P.C. to learn more.

Held at:
336 Encinitas Blvd., Suite 140
Encinitas, CA 92024

7898 Broadway
Lemon Grove, CA 91945

Why isn't 20/20
enough?

The Vision &
Learning Connection

The Importance of
Visual Thinking

Learn tips to
promote proper
vision development
in your child!

Light refreshments
provided!
